

A DECENTRALIZED APPLICATION

MEDICHAIN

Esta presentación te guiará durante tus primeros días con nosotros.

THE PROBLEM

33 million people in the country
who do not have affiliation to
public or private health services.

A SURGERY CAN COST BETWEEN

SOLUTION

A web application that allows the general public to make direct donations to low-income families to cover emergency expenses and immediate needs

DONATE

All this through a network or simply with the use of a cell phone.

Why is it feasible?

**Government
funding**

A Venn diagram consisting of two overlapping circles. The left circle is dark blue and contains the text 'Government funding' in white. The right circle is light blue and contains the text 'Advertising' in dark blue. The background is a solid orange color.
